Dear Col. Knight,

I would like to take this opportunity to let you know how much we appreciate the support of your department in our efforts to make our highways safer during this Spring Break season. I truly value the professionalism your people showed, they are to be commended for a job well done.

I especially appreciate your willingness to work with the Franklin County Sheriff's Office and the preparations made by your department to educate our Deputies of the Roadside Checkpoint Operation Plan.

I am extremely pleased with the results of the mission. The positive response we received from the community was incredible.

Again, I cannot thank you enough for your eagerness to assist us in this mission. If myself or the Franklin County Sheriff's Office can ever be of any assistance to you or your department please contact me at any time.

With appreciation,
